Subject: [External] Dominion electricity

My name is Susan and I'm sending you a email about my electricity. You'll are pushing to raise the price on electricity and I'm here to beg you not to. I am on disability and I barely get enough to pay my bills and pay for my medications. If you go up on mine and all the other disabled people then we will go without light, cooking, bathing, and on top of that we wouldn't have no money to even be able to buy candles and ect. Dominion has already went up not to long ago and now your doing it again.

Thanks Ms. Samuelson
